VIBRANT MID-CENTURY DESIGN IN LOWER QUEEN ANNE.

*A light and bright storefront keeps history alive
in this convenient working-class neighborhood.*

Martin Selig Real Estate has preserved this building's original steel-and-glass, commercial-style design from 1959. A central outdoor staircase with covered atrium is a distinguishing addition to the structure's steel skeleton, flat roof construction, and large bands of windows. Street-level retail opportunities further heighten the building's appeal.
